

# Change Lives by Donating Gently Used Furniture & Household Goods

Bridging supports families and individuals transitioning out of homelessness and poverty by providing furniture and household goods to those in need. Turning houses into homes filled with hope and dignity, Bridging serves approximately 5,000 households (over 13,000 individuals) throughout the Twin Cities every year. Distributing 12 semi-trucks of furniture and household goods each week, and facing a growing demand, we rely on your quality, gently used donations to support the many people who walk through Bridging's doors.

## Donation Pickup

---

Donation pickups are available for the seven county metro area. Pickups from outside a residence (curbside or garage) start at \$75, and pickups from inside a residence start at \$150. Bridging provides furniture and household goods to people in need at no cost, and pickup fees allow Bridging to support the growing demand for our services throughout the community. Schedule a pickup online at [www.bridging.org](http://www.bridging.org).
